Judge Martin Glenn

US Bankruptcy Court

Southern District of New York

One Bowling Green

New York, NY 10004-1408

Dear Honorable Martin Glenn,

My name is Tommy Kusters and I was a Celsius earn customer. On September 22 I voted to help the bankruptcy trial. The ballot documents were very complicated and I did not realize that by voting I have significant loss of my life savings. My claim is for \$15,654,36 and somehow I got placed in the convenience class and I received \$4302,36. I don't know how this could happen but if I had known that voting would cause this to happen I would not have voted at all. I am extremely disconcerted about the amount of lost cryptocurrency, mathematically I feel like this is fraudulent. This is my life savings, and I am asking you to please have mercy on me. Please can you help my request to be placed back in earn? Thank you for your time and consideration.

Respectfully,

Tommy Kusters
